Why not read my book...

... A Life Like Mine - 2nd Edition

Everyone changes over the years, but accepting the changes and moving on, accepting we are different people than we were before, is difficult for some of us.

"We should be more like the butterfly and shed the old for the new, keep reinventing ourselves as the butterfly does."

A Life Like Mine is a true story. It chronicles Linda Ockwell-Jenner's journey through her life's challenges and the strategies she has developed to overcome them. Learn how to live life to it's fullest, have no regrets and turn your challenges into something positive. Use Linda's 6 Steps as a tool to guide you through your challenges... and discover that A Life Like Mine, could be a life like yours!
